Mr. S.R. Morss,
R. 3, Bradford,
Mass., U.S.A.

Dear Mr. Morss:

Thanks very much for your letter we just received.

Your reception is certainly correct. The station CBFG is a relay station which operates on 1420 kc and is located in Gaspé.

Night broadcasting was but a temporary measure and since last September, we do not broadcast any more during the night.

Once again thanks very much for your interest in turning in CBC stations.

Truly yours,

Raymond Fortin
